Employee Tuition Reduction Program

Another benefit the university offers regular employees is the tuition reduction sponsored by the Arizona Board of Regents. The Qualified Tuition Reduction (QTR) Program along with the Education Assistance Plan (EAP) allows employees, their spouse and their eligible dependents to take advantage of educational opportunities at a reduced tuition rate at the following universities:

- Northern Arizona University (NAU)
- University of Arizona (UA)
- Arizona State University (ASU)

For more information, visit [NAU Human Resources → Benefits → Tuition Reduction Program](#)

Employee Wellness Programs

The Northern Arizona University Employee Assistance and Wellness (EAW) Office can assist you and your family with personal and professional problems, and help enhance your overall health and wellness.
