No Cost for the Savi Essential Service

Last week we announced two benefit improvements for 2023, the addition of a [Paid Parental Leave benefit](#) and the change to the State of AZ's wellness program [Health Impact program \(HIP\)](#). There is one more enhancement and it is effective now – employees can now register for the Essential Service with Savi at no cost.

Is the NAU HDHP\HSA Right for You?

For 2023, NAU's annual HSA contribution will increase to \$720 for employee and \$1,440 for family. Also, employee contributions will remain the same for the third straight year. Maybe now is the time to learn more about how this plan works, and decide if you should switch plans.
