This guide provides information on how to enroll in both voluntary and retirement benefits along with details of the benefits listed above. If you have any questions about your benefits you can contact the benefits team at nauhrbenefits@nau.edu or call Human Resources 928-523-2223.
Benefits are part of what makes NAU a great place to work!

NAU's benefit program is designed to support your physical, emotional, and financial health.

**Health Care**
*On average, NAU pays 85% of the cost of medical coverage!* Choose from a variety of medical, dental and vision plans with different coverage levels, out of pocket expenses and competitive employee premiums.

**Wellness**
Get and stay healthy while earning up to $300 with NAU's Health Impact Program (HIP).

**Flexible Spending Accounts**
Enroll in Flexible Spending Accounts to save on taxes for health care and day care expenses.

**Income Protection**
Receive $15,000 of life insurance at no cost. Purchase additional life insurance and short-term disability insurance for income protection.

**Retirement**
NAU contributes to a primary retirement plan that includes long term disability coverage. To increase retirement savings, contribute to one of NAU’s supplemental retirement plans.

**Financial Wellness**
Access to financial education resources including one-on-one financial planning.

**Paid Time Off**
Paid time off in the form of holidays, vacation, sick time and community and engagement time.

**Paid Parental Leave**
Eligible employees receive up to 12 weeks of paid parental leave for birth and bonding.

**Tuition Reduction**
Reduced tuition at the three state universities for you and your eligible family members.

**Student Loan Debt Management**
NAU is a qualified Public Service Loan Forgiveness employer. A concierge service is provided at no cost to assist employees in applying for forgiveness.

Changing Your Benefits

You have three opportunities to enroll or make changes to your voluntary benefits:

- Within 31 days of hire or eligibility – see page 5
- During the annual Open Enrollment period
- Within 31 days of a Qualified Life Event (QLE) such as marriage or the birth of a child.

**Open Enrollment**

Open Enrollment (OE) is held each year in late fall. Human Resources will notify you of plan and premium changes and that year’s enrollment process and deadlines. You can add, change, or drop voluntary coverage during OE and any changes you make will be effective the following January 1st.

**Qualified Life Event**

You can change your benefits during the year, if you experience a Qualified Life Event (QLE) that changes your benefits coverage needs.

Types of QLEs include:

- Marriage, divorce or legal separation
- Birth or adoption
- Loss or gain of coverage for you and/or your dependents
- Change in Medicare\Medicaid eligibility

In most cases, you will be required to submit supporting documentation confirming the reason for your QLE. Review the [Types of QLEs](#) for the acceptable types of documentation and effective dates for each type of event.

**How to request to change your benefits**

You need to submit [Qualified Life Event Form (QLE)](#) form along with related documentation to Human Resources. Once your QLE is approved you will be sent instructions on how to update your benefits.

**Rules to Remember**

- You must submit your QLE request and complete the enrollment process within 31 days of your QLE event date.
- **Do not delay your QLE request** even if you are waiting to receive the required supporting documentation such as a birth certificate.
- If you do not complete your enrollment within the 31-day deadline you will not be able to change your benefits. Your next opportunity to make changes to your benefits enrollments will be at the next OE or if you experience another QLE.

*Updated 08/2023*
Paying Your Premiums

You are required to pay a portion of the cost of all voluntary benefits except basic life insurance which is provided to you at no cost.

- Premiums are collected through payroll deduction to pay for that pay period’s coverage.
- Missed premiums are collected on your next available pay OR you will be invoiced for unpaid amount.
- Failure to pay your premiums could result in the termination of coverage and/or being sent to collections for any unpaid amount.

Pre-paying for benefits

If you are paid over less than a full calendar year you will need to ‘Pre-Pay’ your benefit premiums for your off-contract period when you do not receive pay. Premiums for medical, dental, vision, life insurance and flexible spending accounts need to be pre-paid.

Benefit eligibility during your off-contract period eligibility is based on expected employment in a regular benefit eligible position for the next contract period\academic year. Your eligibility for benefits ends when your employment in a regular benefit eligible position ends (resignation, retirement, etc). Any “pre-payments” collected are refunded.

How pre-withholding works

Starting in early January and continuing through mid-May (10 pay periods) we collect 1.7 times the regular benefit premium amount. This additional premium pays for your benefits when you’re “off contract” (7 pay periods) and not receiving pay. When you’re back “on-contract” in the fall the regular premium amount for your benefits will be deducted until the end of the year (9 pay periods).

For 2023 the Pre-payment percentage is 70%. For example, if your regular deduction amount is $100, your pre-payment amount would be $70.00 making your total deduction $170.00 during the pre-payment period.

“Pre-payment” Pay Dates

- Prepayments collected January 12, 2023 through May 19, 2023
- No Premiums collected June 2, 2023 through August 25, 2023
- Regular Premiums collected September 8, 2023 through December 29, 2023

Choosing Health Care Coverage

You can choose from a variety of medical, dental and vision plans with competitive employee premiums. Each plan has different coverage levels and out-of-pocket expenses.

What to consider

There are three important things to consider when selecting your medical, dental and vision coverage.

<table>
<thead>
<tr>
<th>Cost</th>
<th>Network</th>
<th>Benefits &amp; Coverage</th>
</tr>
</thead>
<tbody>
<tr>
<td>What costs do you expect?</td>
<td>Are your providers in the network?</td>
<td>What does the plan cover?</td>
</tr>
<tr>
<td>Your Cost = Employee Premiums + Out-of-Pocket Costs: deductibles, copays &amp; coinsurance</td>
<td>Visit the Vendor Contact webpage for the provider’s website address and customer service phone number.</td>
<td>The Summary of Benefits and Coverage provides coverage details for each medical plan in easy to understand language.</td>
</tr>
</tbody>
</table>

Benefit Terms and Definitions

Here are some key benefit terms and definitions you will encounter when reviewing plan information.

Balance Billing: When a healthcare provider bills a patient for the difference between the contracted rate and what the provider charges.

Copay: A fixed fee paid for a covered service.

Coinsurance: The percentage paid for a covered service, shared by you and the plan.

Deductible: The amount you pay each year before the plan begins paying for covered services. Note: Plans with higher deductibles tend to have lower employee premiums.

In-network: Care from contracted providers within a plan’s network. You pay less when you see in-network providers.

Out-of-Network: Care from providers outside of the plan’s network. Costs may be higher and service subject to balance billing.

Out-of-Pocket Maximum: The most you will pay within a plan year for covered services before the plan begins paying 100% for covered expenses. The plan you choose should have an out-of-pocket maximum that you can tolerate financially in the event of a high usage of healthcare.

Preventive Care: Routine healthcare such as annual physicals, screening to prevent disease, illness and other health issues.

Acronyms

- FSA – Flexible Spending Account
- HDHP – High Deductible Health Plan
- HSA – Health Savings Account
- PPO – Preferred Provider Plan
- TCP – Triple Choice Plan
- OOP – Out-of-Pocket Maximum
Medical Plan Benefit Comparison

You can choose from four medical plans with competitive employee premiums. Each plan has different coverage levels and out-of-pocket expenses.

All medical plans include:

- Nationwide network.
- Prescription coverage
- Preventive care at no cost
- In & out of network coverage
  - Costs are lower when you see providers in the network
  - Costs are much higher if you use providers not in the network but you may be responsible for balance billing

Before you choose your medical plan, it is important to understand each plan’s features and differences between the plans.

Health Care Savings Accounts (HSA)

If you enroll in one of the High Deductible Health Plans (HDHP) NAU offers, you may be eligible to open a Health Care Savings Account (HSA) making it easier to pay for eligible health care expenses not covered by your medical, dental or vision plans.

Benefits of an HSA

- Each pay period NAU contributes to your account!
- You can also contribute pre-tax to your account.
- You can pay for qualified expenses tax-free.
- Unused funds rollover year to year.
- Your account is yours and goes with you if you leave NAU.

Amount you can contribute

Each year you can contribute up to the annual IRS limit less the amount NAU contributes.

<table>

</tr>
</tbody>
</table>

If you are 55+ you can contribute an additional $1,000.

Rules to remember

- You can’t have other health coverage that pays for out-of-pocket health care expenses before you meet your plan deductible including Medicare, TRICARE.
- You can’t have received Veterans Administration (VA) benefits or Indian Health Service (IHS) benefits in the three previous months.
- You or your spouse can’t have a Healthcare FSA or Health Reimbursement Account (HRA) in the same year that you have an HSA.
- You cannot be claimed as a dependent on another’s tax return.

More information

Contact your HSA administrator for more information on how your HSA account will work.

- If you are enrolled in the NAU HDHP, visit the Health Equity website
- If you are enrolled in the State of AZ HDHP, visit the Optum website

Refer to IRS publication 969 for a complete list of eligible expenses and HSA rules.

If you are enrolled in one of NAU’s HDHP with HSA you can only enroll in a ‘Limited Purpose Health FSA”. Funds in the account can only be used for dental and vision expenses.

**Rules to keep in mind**

FSAs offer significant tax advantages, but are subject to IRS regulations:

- You can only change your contribution amount if you experience a qualifying event.
- Each account functions separately. You cannot transfer funds from one account to another.
- Claims must be filed no later than April 30th of the following plan year for reimbursement.
- The IRS has a strict “Use-It or Lose-It” rule for FSAs. Unused funds will be forfeited.
- Keep your receipts! You may be required to submit receipts to show claims eligibility.

## Disability Insurance

Disability insurance replaces a portion of your income in the case of illness or injury. NAU offers employees both Short-Term and Long-Term Disability coverage.

### Short Term vs Long Term Disability

- **Short Term Disability** is optional, and directly pays you a portion of your income for up to 6 months after a 30-day waiting period. Work related illness or injury is not covered.
- **Long Term Disability** is part of your Primary Retirement benefit. It directly pays you a portion of your income after a six-month waiting period.

### Short Term Disability

NAU offers you a choice of two STD plans that have different plan features and costs. You pay the entire premium with after-tax dollars, so benefits are tax-free. Unum and MetLife approve benefits based on supporting medical documentation.

Primary Retirement Plans

All regular benefit eligible employees are required by state mandate to enroll in a primary retirement plan. *Exception: Postdoctoral scholars and some international employees are not eligible to participate in a primary retirement plan.*

**Part Time Faculty and Temporary Employees** can become eligible for retirement if they work at least 20 hours a week for at least 20 weeks in a fiscal year. If you become eligible you will be notified by Human Resources.

**Plans Offered**

The retirement plan you are offered depends on the type of employee you are.

For more details review the full [Retirement Comparison](#) and the [ORP Guide](#).
The Arizona State Retirement System (ASRS) is a defined benefit plan qualified under Internal Revenue Code 401(a) that provides a monthly benefit at normal or early retirement.

**Contributions**
Both you and NAU contribute to ASRS. Contributions cover your pension benefit, long-term disability coverage and health care subsidy.

- For the 2023-2024 fiscal year, your total contribution rate is 12.29%.

**Vesting**
Vesting refers to the requirement of service before “owning” all funds in your account.

- **Your contributions** are always 100% vested.
- Vesting of your NAU contributions is based on when you were hired:
  - If hired prior to 07/01/2011, you are partially vested after five years of service and fully vested after 10 years of service.
  - If hired on or after 07/01/2011, NAU’s contributions do not vest unless you separate due to involuntary reductions in force or position elimination.

View ASRS’s [What Does ‘Vesting” Mean](#) video

**Normal Retirement**
Normal retirement is the earliest you can retire with a full benefit from ASRS. Requirements for normal retirement are based on when you were hired:

If you were **hired prior to July 1, 2011**

- Age 65
- Age 62 and 10 years of service
- 80 points (Age + Service)

If you were **hired on or after July 1, 2011**

- Age 65
- Age 62 and 10 years of service
- Age 60 and 25 years of service
- Age 55 and 30 years of service

**Early retirement**
In some cases, you may retire as early as age 50 with 5 years of ASRS service and receive a reduced benefit.

To learn more about ASRS visit the [Member Education](#) and [Member Video](#) webpages.

**Questions??** [Review the ASRS FAQs](#)
Optional Retirement Plan (ORP)

The ORP is a defined contribution plan qualified under Internal Revenue Code 401(a).

- This plan is offered to faculty and appointed staff as an alternative to ASRS.
- Income at retirement is based on the total accumulation of funds in your account, including any investment gains or losses.

Contributions
Both you and NAU contribute 7% of your pay each pay period. NAU also pays for your long-term disability benefit.

- Maximum annual contribution for both employee and employer contributions cannot exceed the IRS limit of $66,000 for 2023.
- The Compensation on which you can make contributions, is limited by the IRS compensation limit. For 2023 the limits are:
  - Enrolled on June 30, 1996 or earlier - $430,000
  - Enrolled after June 30, 1996 - $330,000

Vesting
Vesting refers to the service requirement before “owning” all funds in your account.

- **Your Contributions** - You are always 100% vested in your own contributions
- **NAU’s Contributions** - You are 100% vested in NAU’s contributions after five years of continuous service or age 65, whichever is earliest. Academic year employees are 100% vested at the end of the fifth full academic year.

Immediate vesting may be available if you have an active retirement account (funds on deposit) through another institution of higher education. For more information contact Human Resources.

*If you leave NAU before you meet vesting qualifications, you relinquish the employer contributions.*

Investing
Your retirement benefit is based on the performance of the investments you select. You select one of the plan’s investment managers: Fidelity or TIAA. Each investment manager offers a broad array of investment options from which you can choose.

To learn more, contact the investment manager’s representative for more information on the funds and services offered or go to the investment manager website. The investment managers’ contact information can be found on page 52.

Supplemental Retirement Plans

Supplemental plans allow you to save extra money for retirement. NAU does not match your contributions. NAU offers two types of supplemental retirement plans:

- 403b Tax-Deferred Annuity Plan through Arizona University System
- 457 Deferred Compensation Plan through the State of Arizona

Eligibility

All NAU employees are eligible to participate in both the 403(b) and the 457(b) plans.

Contributions

Contributions to the 403(b) and 457(b) plans can be deducted on a pre-tax basis from your paycheck or on an after-tax basis or Roth 403(b). NAU does not match your contributions.

**Pre-tax contributions** are deducted from your pay before income taxes are taken out. This means that you may lower the amount of current income taxes withheld each period. Any earnings on your contributions are tax deferred until you withdraw them from your account.

**Roth contributions** are taken after taxes, as a result there are no current tax savings. In the event of either retirement or termination, your contributions and earnings can be withdrawn tax free as long as it has been five tax years since your first Roth contribution, and you are at least 59½ years old.

Contribution limits

You can contribute up to the IRS annual maximum to each plan.

- 2023, the contribution maximum is $22,500 for both plan types.
- If you are age 50 or older, you can contribute an additional $7,500 each calendar year for an annual maximum of $30,000.
- Some employees may also be eligible for an additional catch-up contribution amount. Contact your supplemental retirement plan vendor directly to determine if you are eligible.

Investments

You direct the investments for the supplemental retirement plans

- If you enroll in the **403(b) plan** you can invest your contributions with either Fidelity or TIAA
- If you enroll in the **457(b) plan** your contributions are invested with Nationwide Retirement Solutions
Loans
Typically, you can borrow between $1,000 and $50,000 per plan. The amount you can borrow depends on your account balance available for loans.

Hardship distribution
You can request a distribution for the reason of 'Hardship' as defined by the IRS while still employed. Distributions taken before you are 59½ and that are not rolled over may be subject to taxes and penalties.

Leaving the university
Once you leave NAU or retire you can leave your funds in your account, rollover your account to an IRA or another qualified retirement plan or request a distribution.

- Most distributions are subject to income tax withholding.
- Distributions taken from your 403(b) account before you are 59½ that are not rolled over may be subject to tax penalties.
- There is no early withdrawal for penalty for distributions taken from your 457(b) account.

Paid Time Off

NAU provides paid time off in the form of holidays, vacation, sick time, bereavement, compassionate transfer of leave and community engagement time.

Holidays

The University recognizes specific holidays during the year and provides paid time off for employees at these designated times.

Review the current holiday schedule

Sick Time

Regular employees earn paid sick time on their hours worked, holiday pay, paid compensatory time, approved vacation, and sick pay. Sick time does not accrue when you are in an unpaid status or use leave without pay.

- If you work 40 hours a week, you accrue 3.68 per hours per pay period.
- If you work less than 40 hours a week you accrue a prorated amount of sick time based on 0.045977 hour for each hour worked.

Review the Sick Time Policy.

Rules to remember

- Sick time is accrued on up to 40 hours paid a week.
- Accrued sick time carries forward without any limit total accumulate.
- Sick time is not paid out when you leave the university unless you retire from NAU and are eligible for the Retiree Accumulated Sick Leave Program (RASL). Visit the Retiring from NAU webpage for more information.

Vacation

Classified Staff, Appointed Staff and Post-Doctoral Scholars earn vacation on their hours worked, holiday pay, paid compensatory time, approved vacation, and sick pay. Vacation does not accrue on when you are in unpaid status or use leave without pay.
Vacation accrual rates

The amount of vacation you accrue is based on your position type, years of service and hours worked.

- The accrual rates below are based on working 40 hours per week.
- Employees working less than 40 hours a week accrue a prorated amount of vacation.

Rules to remember

- Vacation is accrued on up to 40 hours worked per week.
- Faculty are not eligible for vacation unless they are on a 12 month a year contract.
- Classified, appointed staff and 12-month faculty can carry forward up to 320 hours unused vacation into the next calendar year. Vacation in excess of the maximum is forfeited.
- Post-Doctoral scholars are not eligible to carry forward vacation into the next calendar year.
- When you leave the university, on your final paycheck you will be paid out for up to one year of accrued vacation.

Monitoring sick and vacation balances

It is important to monitor your paid time off (sick, vacation and compensatory time if eligible) balances. You can view your current balances on your timesheet in LOUIE Self-Service.

- Log into LOUIE with your NAU credentials
- On the HR Home Page select the ‘Time Reporting’ tile.
- Click on the ‘Leave\Compensatory Time’ tab on the lower part of the page.
- To view your balance, click the icon under ‘View Detail’ for the plan.

*Note: The ‘Recorded Balance’ includes all submitted requests including those in the future.*
Community Engagement Time

Staff can use up to 16 hours a calendar year of paid time to volunteer in their communities. This program encourages NAU staff (administrators, classified staff, and service professionals) to take part in projects that support the communities in which we live and serve.

Rules to remember

- 16 hours granted each calendar year and do not carryover
- Must be used to assist a community service organization.
- Community Engagement Time must be used during regularly scheduled work time.
- Use of Community Engagement Time is approved by your supervisor.
- Unused hours are not paid out when you leave the university.

Questions?? Review the Community Engagement Time FAQs

Bereavement

Regular employees may request up to three consecutive paid working days for the death of a covered family member. Two additional paid working days may be granted for out of state funeral arrangements or services.

Supervisors may authorize the use of additional sick time for employees who are unable to work due to grief incurred by death of a family member. Covered family members include:

- child (natural, step, adopted, foster, in-laws
- spouse
- parent or parent-in-law (natural, step, adoptive, surrogate)
- brother or brother-in-law
- sister or sister-in-law
- grandparent
- grandchild
- person who is a permanent member of the employee’s established household

For family members not listed above, three consecutive sick days may be used to attend or arrange funeral services. Two additional sick days may be granted for out of state funeral services.

Review the Administrative Leave policy for more detail on bereavement.
Leaves of Absence

A leave of absence (LOA) provides you approved time away from work for a variety of reasons. Unless taking a planned vacation, employees should request a LOA if they need to spend five or more consecutive days away from work.

If not on an approved leave of absence, time away from work could be considered an unauthorized absence.

Reasons for a LOA

Eligible employees may request a LOA for reasons including:

- the employee’s health condition
- to care for a spouse, parent, or dependent child
- birth or bonding with a child
- military service and training
- bereavement
- bone marrow or organ donation
- personal reasons including education

Review ‘Summary of NAU’s Leave of Absence Policies’.

Family Medical Leave

Family Medical Leave (FMLA) is available to eligible employees who may need to take time away from work due to personal illness, family illness or other qualified family matters. An eligible employee may request a total of twelve weeks of FMLA during any 12-month period.

You may be eligible to request a FMLA leave if you:

- have worked for the university for a continuous period of not less than one year, and
- have worked at least 1,250 hours in the prior 12-month period.

Review your FMLA Rights and Responsibilities

How to request a LOA

You request a leave of absence by completing the online Leave of Absence Request form. Human Resources will evaluate your request and notify you if you are eligible for a FMLA or approved time off under another type of leave of absence.
Rules to remember

- Whenever possible you should request a leave of absence at least 30 days in advance.
- If the leave of absence is unplanned you should follow your department's call-in procedure.
- You should talk to your supervisor about your leave of absence request so your department can plan for your time away from work.
- Be sure to provide your supervisor and Human Resources your contact information.
- You need to respond to inquiries from your supervisor and Human Resources promptly.
- Human Resources will communicate to you through your work email. If you need to use another type of communication please inform your leave advisor.

Income replacement

Most LOAs provide approved **unpaid** time away from work, but there are several ways for an employee to replace some or all of their normal income while on a LOA.

- **Paid Time Off**: Sick, vacation and compensatory time if eligible.
- **Disability Payments**: Short-term and long-term disability.
- **Workers Compensation**: Workers Compensation benefits.
- **Compassionate Transfer of Leave**: Donated Leave. [Review policy](#) for details.

Reporting time away from work

All time away from work should be reported on your LOUIE timesheet.

- You should use the specific time 'LOA' reporting codes when on a leave of absence.
- If you do not have enough paid time off to cover your standard hours for any pay period, you should report leave without pay.
Parental Leave

NAU offers both paid and unpaid Parental Leave to support you with approved time away from work for birth, adoption or placement of a child (foster care or legal guardianship).

Eligibility

Regular benefit eligible employees can request up to 12 weeks approved time away from work for Birth and Bonding which includes adoption and placement of a child. Time off is also provided for stillbirth and miscarriage.

Paid: Regular benefit eligible employees with at least one year of service and have worked at least 1,250 hours in the previous twelve months can request up to 12 weeks of approved paid time off.

Unpaid: Regular employees with less than one year of service and/or have worked less than 1,250 hours in the previous 12 months can request up to 12 weeks of approved unpaid time off.

Rules to remember

- Family Medical Leave runs concurrently with paid parental leave.
- If both parents work for NAU, both parents are eligible for 12-weeks of parental leave.
- Employees are limited to one occurrence in a 12-month period as of the date of birth or event.
- Parental Leave is taken continuously or if approved by the department, as a reduced schedule or intermittently.

How to request Parental Leave

You request Parental Leave by completing the online Leave of Absence Request form.

When leave begins

Parental Leave is normally approved to begin on the date of birth or the date of the adoption or placement of your child. If needed, you can request to start your Parental Leave up to two weeks before the anticipated eligible event.
Reporting time away from work

All time away from work should be reported on your LOUIE timesheet.

- **Paid**: You will use the ‘Paid Parental Leave’ time reporting code on your time sheet. You must use paid parental leave before any other forms of paid time off such as sick or vacation.
- **Unpaid**: You should use any accrued paid time off such as sick, vacation or compensatory time. If you do not have enough paid time off to cover your standard hours for any pay period, you should report leave without pay.

Returning to work

In most circumstances you will be returned to your former or essentially equal position. If you are unable to return to work on your expected return to work date you should contact your department and Human Resources as soon as possible.

*If you fail to return to work at your full schedule for at least 30 calendar days, you will be required to reimburse the University for the salary and benefits paid on during the Paid Parental Leave period.*

Employee Responsibilities

If you experience a work-related illness or injury that is not life or limb threatening, you should:

• Report the injury/illness to your supervisor immediately.
• Call the Employee Injury Call Center at 800-685-2877 to report the incident and speak with a registered nurse.
  - Identify your employer as The State of Arizona.
  - Use the Agency Code of 416 for Northern Arizona University.

The nurse will:

• Determine if immediate care is needed
• Connect the employee with the appropriate level of care
• Schedule a referral for further intervention
• Follow-up with the employee on the next day to see how they are doing

Calls can be made 24 hours a day/7 day a week

Supervisor Responsibilities

Within 24 hours of when an employee notifies you of a work-related illness or injury, you should complete the Report of Injury (ROI) form through Louie Department Self Service.

• Sign on to LOUIE:
• On the HR Home Page Select ‘Manage Department Dashboard’
• Select ‘Manage eForms’
• Select ‘Report of Injury Home Page’
• Select ‘Create a Report of Injury’
• Click on the ‘Work Related Injury Radio Button’
• Click ‘Next’
• Enter the requested information on each page and then click ‘Next’

Important: If the work-related illness or injury results in an inpatient hospitalization of one or more employees the supervisor should notify human resources immediately at (928)523-2223.
Tuition Reduction

One of the most valuable benefits the university offers is the tuition reduction benefit.
You, your spouse, and eligible dependents can receive reduced tuition and at any of the three state universities.

Who is eligible

- Regular benefit eligible employees
- Official NAU retirees
- Former employees receiving long term disability benefits with 5 years of continuous service
- Designated affiliates
- Spouses and dependents of deceased employees may also be eligible for the benefit.

Spouse and dependents

Your legally recognized spouse is eligible for the benefit. For your dependent child to be eligible they must be your tax dependent and meet the definition of “child” under IRS §152(f)(1).
- You will need to complete an affidavit confirming your child’s eligibility.
- You may be required to provide proof of eligibility such as a marriage license, birth certificate or tax forms.

What is covered

The benefit is for tuition only. All students are responsible for course fees, labs, textbook purchases.

Updated 08/2023
Submitting your tuition reduction request

Each term/semester, active NAU employees and retirees should submit an e-TRP through an OnBase form. All other NAU associated eligible individuals should contact Human Resources at hr.contact@nau.edu or 928.523.2223 for an application.

Rules to remember

- You must be an active employee on the first day of semester/term.
- You must submit a e-TRP each semester.
- Each semester/term, the e-TRP form opens 90 days prior to the first day of that semester/term at NAU and it remains open until the last day of that semester/term at NAU.
- The student must be enrolled before the e-TRP can be submitted.
- You will need the student’s number to submit the e-TRP.
- If the student adds or drops classes after the e-TRP is processed, the benefit amount will be automatically adjusted.
- If the e-TRP is for your spouse or child, make sure that they are listed as a dependent in Louie Self-Service.
- If the student is attending UA or ASU they will also need to following deadlines at those institutions.

Student Loan Assistance

Do you have student loans?

SAVI can help you reduce your monthly student loan payments and apply for loan forgiveness. For more information review the SAVI Quick Start Guide.

The Public Service Loan Forgiveness (PSLF) program

The PSLF program is designed to reduce student loan debt for people who work for a public service employer-like NAU!

The program is complex, so NAU partnered with SAVI to help you apply for the PSLF benefit and submit the employer certifications each year.

SAVI offers two services at no cost.

Getting Started

Visit the SAVI website and follow the path to explore your federal forgiveness options. You’ll need several things to use Savi effectively:

- **Your social security number** (format: 123-45-6789)
- **Your tax return** or the first page of your most recent tax transcript. You can request a copy of a tax transcript in about 5 minutes by visiting https://www.irs.gov/individuals/get-transcript
- **Logins to any loan servicers** (e.g., Navient, Nelnet, Great Lakes) Your login information includes username or email, password, and anything else required to log into your student loan servicer’s website.
- **Your NAU Email address** is needed to enroll in Savi’s Essential Concierge Service at no cost.

*If you need help setting up an account, contact the Savi support line at 833-604-1226.*

Definitions of Employment Categories

Eligibility for benefits is determined by the employee’s employment category and the benefit plan’s rules. Below are the definitions of the Employment Categories.

Full time Position: A position expected to work 40 hours per week.

Regular Position: A position expected to work consistently at least three fourths time of a full-time position for ninety days or more and is subject to the Arizona Board of Regents terms and conditions for Academic Professionals, Administrators, Administrative Faculty, Classified Staff, University Staff, Faculty, or Service Professionals. An employee working in a regular position is a regular employee.

The following are regular positions:

- **Faculty (FAC):** A regular position subject to ABOR 6-201.
- **Appointed Staff (APP)**
  - **Service Professional:** A regular position subject to ABOR 6-303.
  - **Administrator:** A regular position subject to ABOR 6-101.
  - **Academic Professional:** A regular position subject to ABOR 6-302.
  - **Administrative Faculty:** A regular position subject to ABOR 6-102 and 6-201.
  - **Head Coach/ Athletic Director:** A regular position subject to ABOR 1001-1003.
- **Classified Staff (CLS):** A regular position subject to general ABOR personnel policies as specified, except for those subject to any other conditions of service (e.g., academic professionals, service professionals etc.).
- **Postdoctoral Scholar (POD):** A regular position subject to ABOR 6-310.

Other Employment Categories: The following are not regular positions. Employees in these positions may be eligible for limited benefits if eligibility rules are met:

- **Temporary Position (TMP)**
- **Student Position (STU)**
- **Part time Faculty (PTF)**
- **Graduate Assistant (GRD)**
How to Enroll in Benefits for Classified Employees

Benefit Website and Orientation Videos

Everything you will need to understand and utilize your NAU benefits can be found on the [NAU Benefits website](#). Here you will find information, resources, documents, videos, links, and important notices.

**Benefit Orientation videos** - This series of videos is designed for employees who are new to NAU, but they can also help current employees understand the plans they elected.

As a new classified staff employee, you need to enroll in voluntary benefits and set up your account with ASRS. Also, you may enroll in either/or both Supplemental Retirement Plans.

Voluntary Benefits

You are eligible to enroll in voluntary benefits that include medical, dental, vision, flexible spending accounts, life insurance and short-term disability. Learn about your voluntary benefit options.

How to Enroll in Your Voluntary Benefits

1. Sign on to [Louie](#) with your NAU credentials.
2. On the [HR Home Page](#), select the ‘Benefits’ Tile.
4. Click ‘Select’ for the event displayed.
5. Click ‘Edit’ on each benefit to enroll/change your election.
   Your per pay period cost will be listed for each benefit.
6. Click ‘Save and Continue’ when your enrollment is completed.
7. Authorize your enrollments by clicking ‘Submit’.

Health Care ID Cards

Your enrollment information will be sent to the vendor on the date your benefits are effective.

- It will take several days before your enrollment will show on the provider’s eligibility portal.
- Once on the portal, you are able to register for an account with the vendor and print a temporary ID Card.
- The vendor will then mail your ID to your home address within 2 weeks.
- Visit the ‘[Your Benefit Contacts](#)’ webpage for the provider’s website address and customer service phone number.
Rules to remember

- Your coverage is effective the first day of the pay period after a completed enrollment. View the current payroll schedule to determine your coverage effective date.
- **Dual enrollment is not allowed!** You cannot be enrolled both as an employee on your plan and as a spouse or dependent child on another employee’s plan with the Arizona Department of Administration (ADOA).
- Your next opportunity to make changes to your benefits will be during Open Enrollment unless you experience a Qualified Life Event (QLE) such as birth of a child or marriage.
- **Keep your personal information updated** - Benefit vendors are provided your home address, preferred phone and work email address.

Primary Retirement

You are automatically enrolled in the Arizona State Retirement System (ASRS) as your primary retirement plan. Both you and NAU contribute to ASRS.

**ASRS** contributions will begin effective:
- **New Members**: the first day of the pay period following 183 days of continuous service.
- **Current Members**: at your date of hire if you have an active retirement account.
- **Forfeited Members**: at your date of hire if you forfeited your account less than two years ago.

Setting up your myASRS Account

For your contributions to be applied correctly you need to set up your myASRS account. You will use your myASRS account to track your contributions, designate your beneficiary and estimate your retirement benefit.

- Visit [myASRS online registration](#)
- Provide the information requested
- Enrollment Code: **4UQ00059**
- Select ‘**Northern Arizona University**’ from the drop-down list
- Follow the instructions provided

*For help, call ASRS at (800) 621-3778*
**Supplemental Retirement Plans**

To save extra money for retirement you can enroll in either of NAU’s Supplemental Retirement plans. NAU does not match your contributions. Learn about NAU's [Supplemental Retirement Plans](#).

Plan Documents and Legal Notices

If you participate or enroll in NAU or Benefit Options Plans, you are entitled to the following plan documents and legal notices as summarized below. You can find additional information on the Benefits Legal Notices web page.

**Health Insurance Marketplace Coverage**
Key parts of the healthcare law allow you a way to buy health insurance through the Health Insurance Marketplace. Notice provides basic information about the new Marketplace and the Benefit Options health coverage is available.

**Summary of Benefits & Coverage (SBC) and Uniform Glossary**
As part of the Affordable Care Act, the federal government announced new rules regarding the disclosure of the Summary of Benefits and Coverage (SBC) and Uniform Glossary. These regulations require group health plans and health insurance issuers that offer coverage to provide access to the SBC and Uniform Glossary.

**Summary Plan Description (SPD)**
The SPD, or Plan Document, is a summary of important benefit features of your plan. The SPD may be revised at any time for Plan clarification purposes.

**Insurance Certificates and Policies**
Provides information on specific benefit coverage and limitations.

**Health Insurance Portability & Accountability Act**
This notice protects the privacy of individually identifiable health information and establishes who can use the personal health information and how it can be used.

**Medicare Notice of Creditable Coverage**
This notice has information about the prescription drug coverage through the Benefit Options program for participants with Medicare. It explains the options you have under Medicare prescription drug coverage (Medicare Part D) and can help you decide whether you want to enroll.

**Consolidated Omnibus Budget Reconciliation Act (COBRA) General Coverage Notice**
Notice of the Arizona Benefit Options Program COBRA Coverage. This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan.

**Patient Protection & Affordable Care Act (PPACA) Notices of the Arizona Benefit Options Program about PPACA.**

**HIPAA Special Enrollment Rights Notice**
This notice provides information regarding special enrollment You may be able to enroll in health plan without waiting for the next open enrollment period if you request a QLE change within 31 days of an event for loss of other coverage or birth, adoption or placement for adoption. Also, you may enroll if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage.

**Women’s Health and Cancer Rights Act (WHCRA)**
This notice describes mandated benefits for mastectomy-related services and informs individuals that services are available for such treatment and services, including reconstructive surgery, prosthesis, and lymphedema treatment, and explains how to obtain a detailed description of the mastectomy-related benefits under the Plan.

**1996 Newborns’ & Mothers’ Health Protection Act**
This notice provides that health plans and issuers may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child for prescribing a length of stay not more than 48 hours (or 96 hours). The plan may not require that a provider obtain authorization from the Plan for prescribing the minimum length of stay.

**Wellness Program**
This notice requires employers who offer wellness programs and collect employee health information to inform employees what information will be collected, how it will be used, who will receive it, and what will be done to keep it confidential.
