Open Enrollment Informational and Drop-In Sessions

This year the Flagstaff Benefit Expo is back and the NAU Benefits Team is sponsoring two informational sessions on the NAU HDHP\HSA and several drop-in sessions.

Flagstaff Benefit Expo

The Benefit Expo is returning in-person this year to the High-Country Conference Center on Monday, November 7, 2022, from 9:00 am - 2:00 pm. At the Expo you can receive a free flu vaccine so be sure to bring your medical insurance card. *Attendees can use the conference center parking garage.*

Is the NAU HDHP\HSA Right for You?

NAU's annual HSA contribution will increase to \$720 for employee and \$1,440 for family and Employee contributions will remain the same for the third straight year. Maybe this is now the time to learn more about how this plan works and decide if you should switch plans.

Join us for the last NAU HDHP\HSA informational session

Thursday, November 10th 10:00 am – 11:00 am
