

Perfect attendees

Posted: Tuesday, December 16, 2014 9:11 am

Twenty Casa Grande Union High School and Casa Verde High School students received T-shirts Monday signifying their perfect attendance this semester. Gear Up Coordinator Lorraine Campos, second from left, passed out the shirts. Students could choose an Arizona State University or University of Arizona shirt. The program is designed to help boost students' graduation rates and encourage them to pursue post-high school educations.
