

**BE A LEADER FOUNDATION &
DYSART HIGH SCHOOL**

Who Is Be A Leader?

Inclusiveness

We foster an environment that celebrates everyone's uniqueness making all feel welcomed and providing them with an authentic sense of belonging.

Empowerment

We create a safe environment that cultivates the skills needed for everyone to become more confident in their ability to advocate for themselves.

Integrity

We strive to do our best work and are accountable, consistent, fair and honest in everything we do.

Our Mission

Our mission is to increase the number of students who are prepared for and succeed in higher education by empowering them with tools, leadership skills and consistent support, transforming lives and creating life-long opportunities for success.

Our Vision

Our vision is all students have the opportunity to succeed in higher education and have the skills and resources to ensure personal success.

Passion

We have a relentless commitment to our mission and strive to be the driving force that transforms lives.

Teamwork

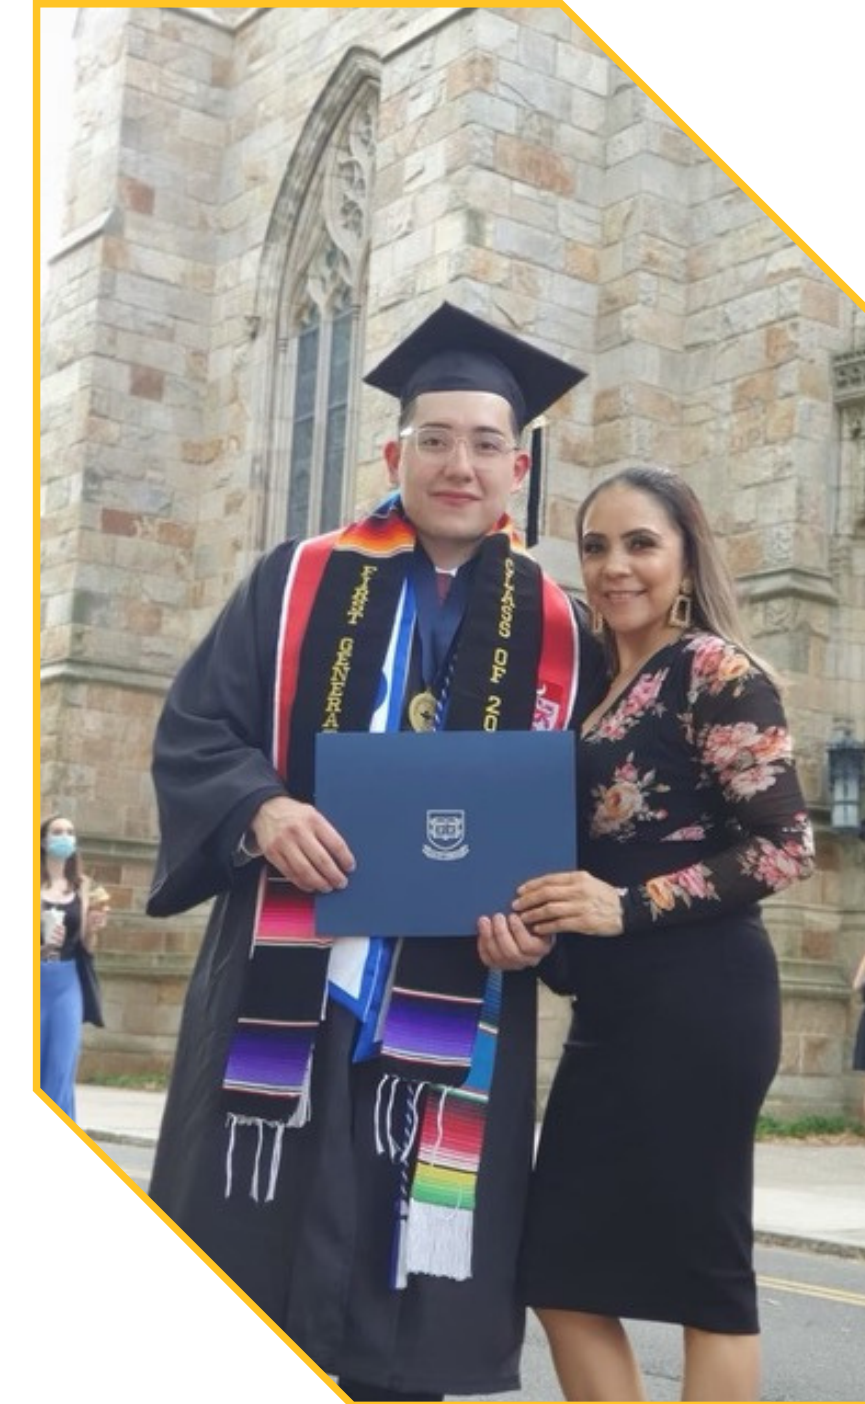

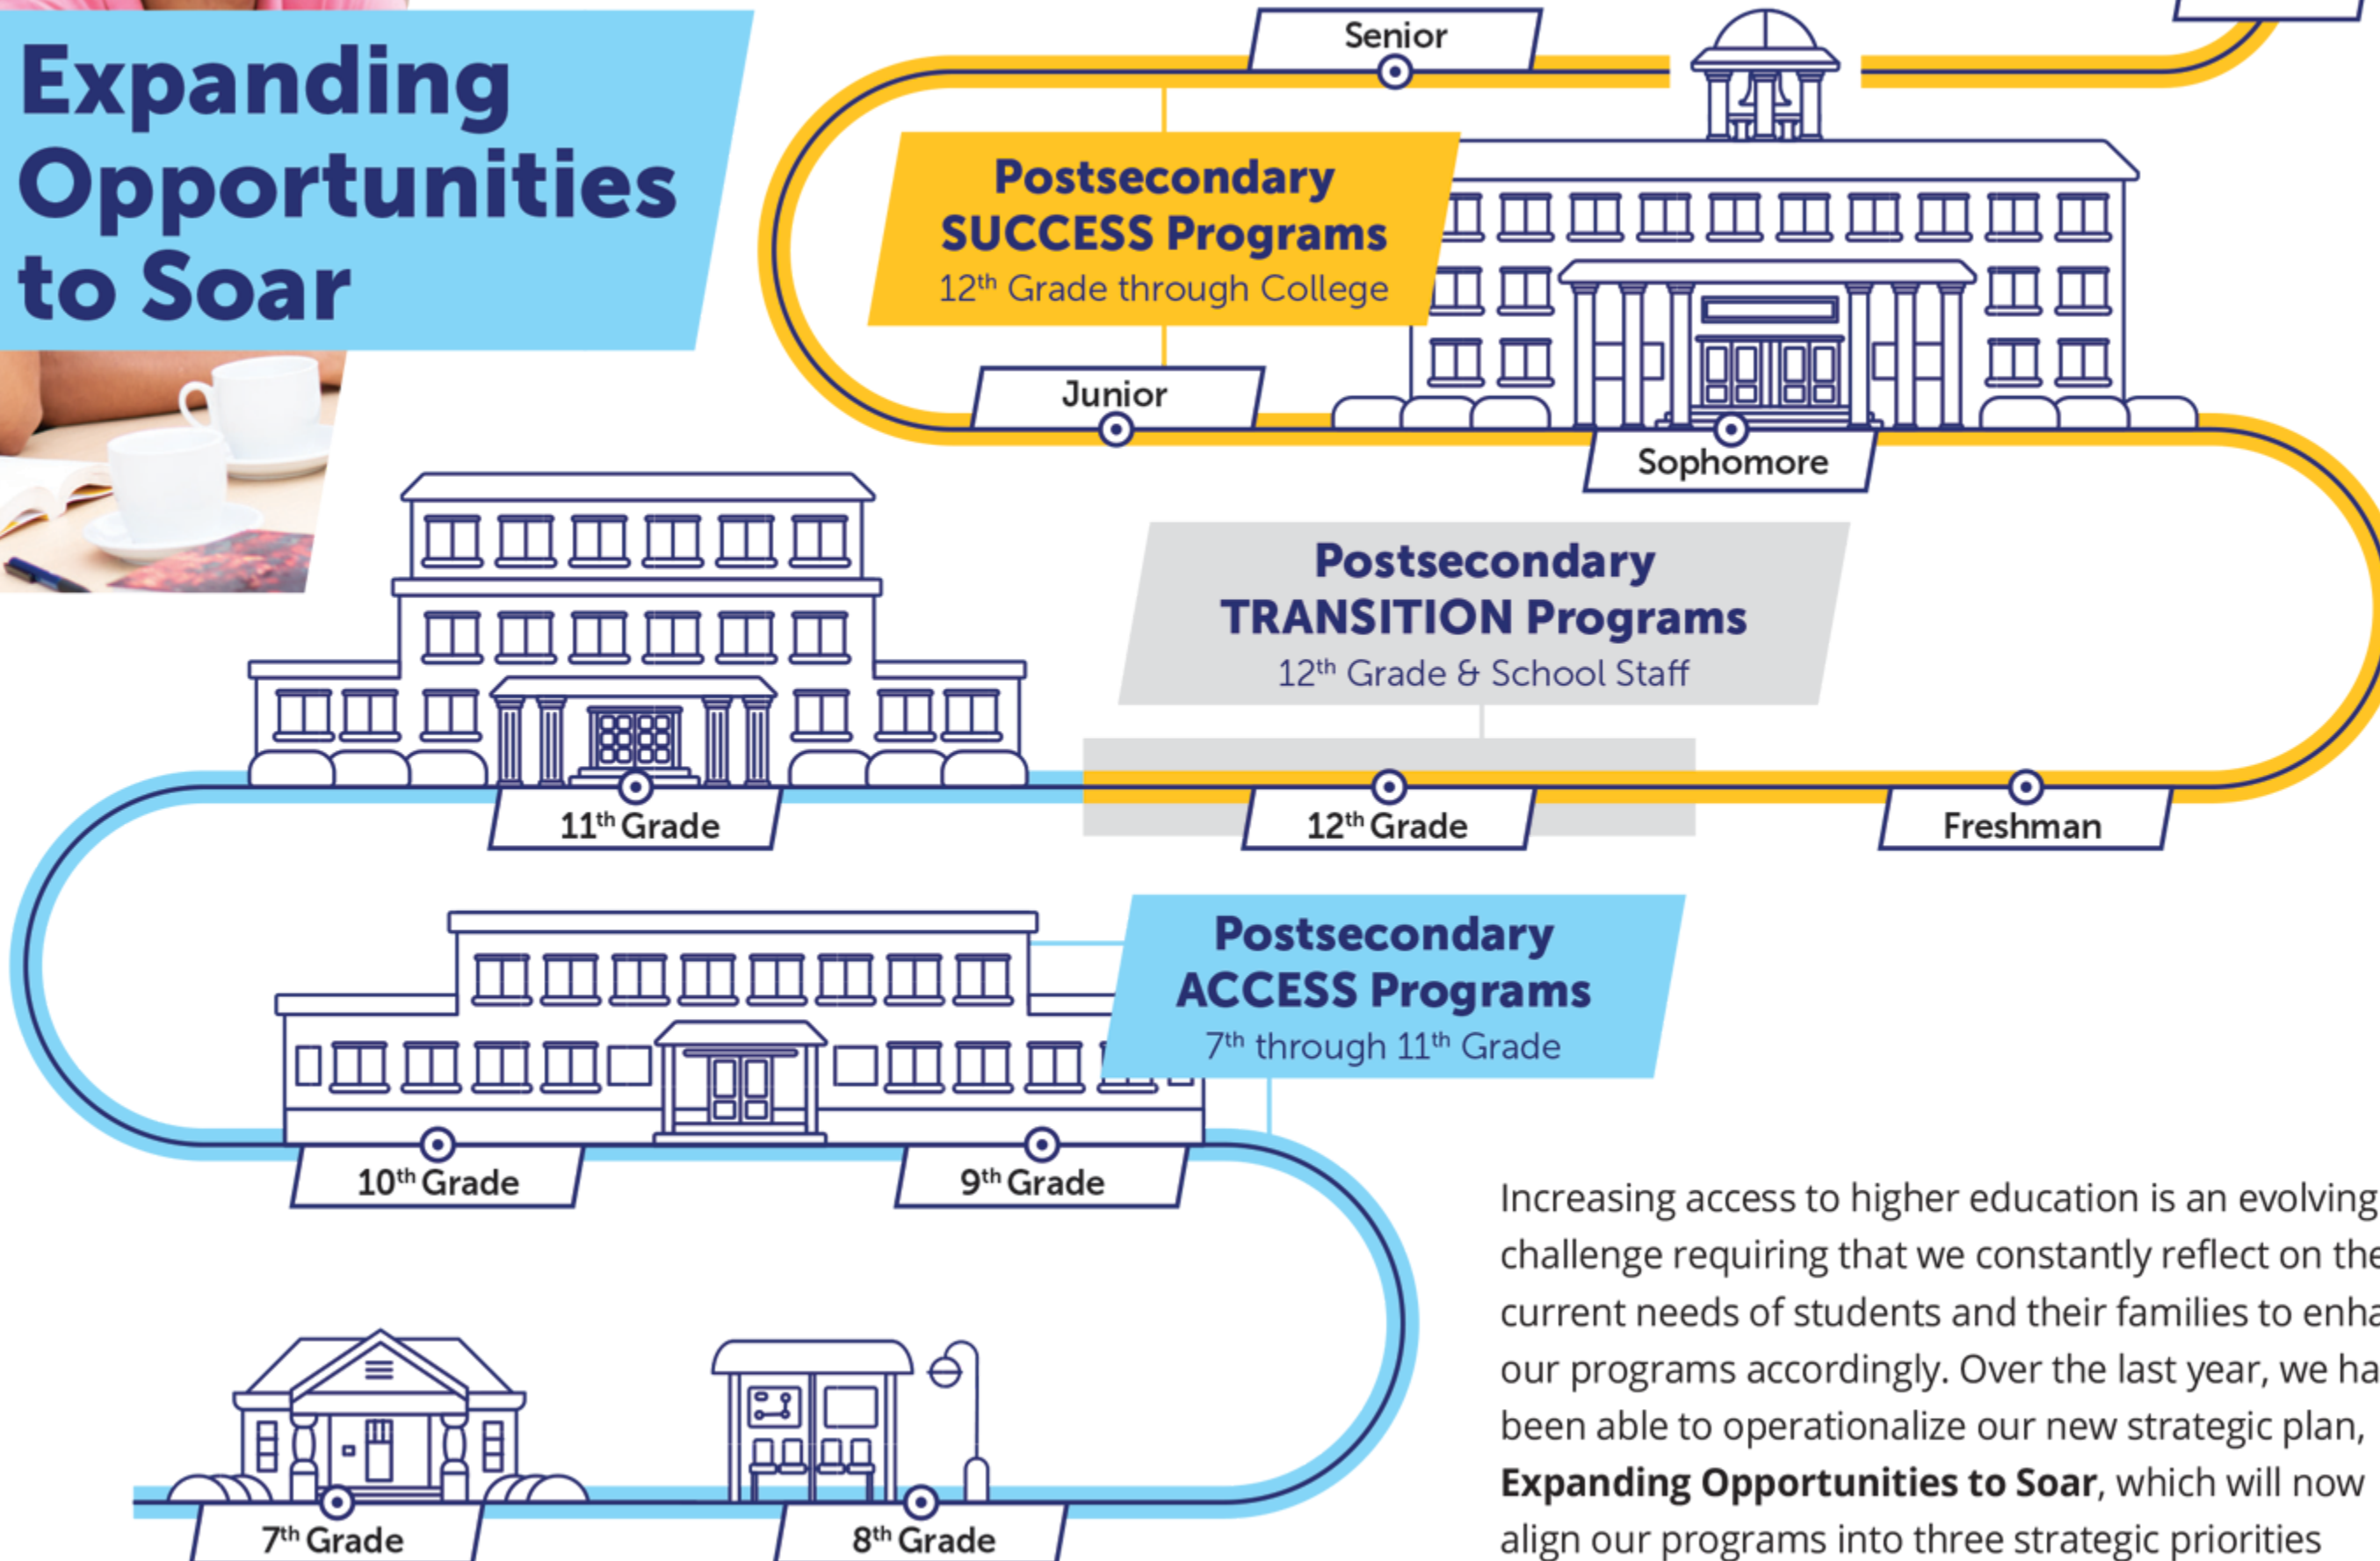

We agree to proactively work together and share our strengths and ideas to meet our shared goals.

Collaboration

We are committed to and champion working together with community partners to ensure our students' personal successes.

Expanding Opportunities to Soar

Increasing access to higher education is an evolving challenge requiring that we constantly reflect on the current needs of students and their families to enhance our programs accordingly. Over the last year, we have been able to operationalize our new strategic plan, **Expanding Opportunities to Soar**, which will now align our programs into three strategic priorities to continue to achieve our mission.
