
Member Nomination Form

Each year the Service Professional Advisory Council solicits nominations from across the campus to fill the available positions on the Council.

Nominees should be interested in working for their fellow service professionals on a wide range of issues. Time commitments include meeting as a council once per month and participation on one or two other task forces, committees, or university work groups as a representative of the SPAC. It is very important that the Council be composed of 15 members who are representative of service professional throughout the university, thus, nominations are solicited from a variety of areas.
